Meeting	Resource Committee
Meeting Date	12th November 2020
Key Decisions and Actions	<p>The Board heard a Business Case around the Central Lancashire Palliative and End of Life Care Collaborative, formally known as the 'Macmillan Bid' which aims to improve Palliative and End of Life Care for people in Central Lancashire; presented by Ceri Mansell of the Preston, Chorley and South Ribble CCG alongside clinical colleagues.</p> <p>The Board thanked the team for the tremendous work that had been completed though recognised that further work is required to support their case. It was recognised that there is a considerable overlap with the work of the overall frailty service. It was agreed that upon development' the case would be recommended to the CCG for consideration in its budget setting round for 2021-22 alongside all other significant priorities.</p> <p>The Board held discussions around the Right Care Update, Better Care Fund and Winter Plan forecast. The key decisions taken from these discussions included;</p> <ul style="list-style-type: none">• Recommendations taken from the Right Care Update should be taken to the relevant System Delivery Boards, particularly those that focus on MSK, Endocrine, Cancer and Respiratory.• Information relating to the Better Care Fund should be shared with the Primary and Community Care System Delivery Board to support thinking relating to clinical pathways.
